

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF OHIO
EASTERN DIVISION

Camille Wilson,) Civil Action No. 1:16-cv-00114-DAP
Plaintiff,) Honorable Judge Dan Aaron Polster
V.)
University Hospitals Case Medical Center) Honorable Judge Dan Aaron Polster Orders
Defendant,) Plaintiff Motions
) Plaintiff Phone Records and Emails
) Defendant Report of Findings to Judge Poster's
) Appointed Investigation

- (1) During our phone conference with Honorable Judge Dan Aaron Polster on January 28, 2016, the Honorable Judge Dan Aaron Polster asked David Campbell, Counsel for the defendant Univesity Hospitals Case Medical Center to make sure that he gives to Plaintiff all the information concerning UH Hospital's Reduction in Force (RIF). Several times, Plaintiff have asked defendant Mr. Campbell for the information concerning the RIF's three-person panel, which persons included Plaintiff supervisor of UH Hospital defendant Kathleen Deakins's, defendant supervisor, UH Hospital defendant Paula Gillette, VP of Nursing and Patient Care Services and UH Hospital defendant Kathleen Deakins's manager UH Hospital defendant Patti De Pompei, President of Rainbow Babies & Children's Hospital.
- (2) Plaintiff have attached copies of the emails that defendant Counsel Mr. Campbell and Plaintiff have exchanged to show the courts proof of Plaintiff's requests to defendant Counsel Mr. Campbell. Defendant Counsel Mr. Campbell's position with not complying with the courts has force Plaintiff to bring this issue before the courts. This specific information concerning the

three-person panel RIF has a sufficient and critical relevance that supports Plaintiff's case which facts exposing retaliation and Plaintiff does take this case seriously.

(3) Alongside the Plaintiff **motion** to the court of the Honorable Judge Dan Aaron Polster for An Appointed Counsel, at the conference meeting on February 26, 2016 due to the Plaintiff's lack of knowledge and understanding governing the Laws of the courts.

(4) Plaintiff would like to **motion** the courts to address the defendant Counsel David Campbell concerning releasing the RIF information concerning the three-person panel's discussion making process, that Plaintiff have repeatedly asked defendant Counsel David Campbell for.

(5) Honorable Judge Dan Aaron Polster also made it very clear while on the phone during our phone conference. "He was going to look into the information that Plaintiff had shared with all of the parties while on the phone concerning Plaintiff being placed on the defendant UH Hospital's " Do Not Rehire List" Honorabl Judge Polster then went on to say that if he found out that the plaintiff's information was true then this case would be more than just a Rif issue.

(6) Defendant UH Hospital out-reaches' coordinator Andrea Shadd whose name Plaintiff had given to Honorable Judge Polster when Honorable Judge Poster asked to whom Plaintiff talked with. Defendant of UH Hospital Ms. Shadd let Plaintiff know during their conversation that the defendant UH Hospital has a do not rehire list and if defendant of UH Hospital Ms. Shadd did not call Plaintiff back then that meant Plaintiff's name was on that list and Plaintiff did not receive any call back for defendant UH Hospital out-reaches coordinator Ms Shadd. Plaintiff has given this same statement to the OCRC.

(7) Defendant Counsel David Campbell reported to the Honorable Judge Dan Aaron Polster and all parties present for the conference meeting on February 26, 2016 (Plaintiff present, defendants of UH Hospital Counsel David Campbell, Liana Hollingsworth, and Marcie Manson that Andrea Shadd the out-reach coordinator for defendant UH Hospital has now denied speaking with Plaintiff at all on the phone

during defendant Counsel David Campbell for UH Hospitals investigation. Defendant of UH Hospital Mr. Campbell informed Plaintiff that the Honorable Judge Dan Aaron had appointed defendant Counsel Mr. Campbell to investigate Plaintiff's allegations after Plaintiff had send defendant Counsel Mr. Campbell an email concerning questions about the RIF's three-person panel. Plaintiff felt that defendant's had been giving a second chance to redeem some character of honesty from the Honorable Judge Dan Aaron merciful actions. Plaintiff also felt that the Honorable Judge Dan Aaron Polster would appreciate if there were additional, specific action taken inconsideration during Defendant Counsel Mr. Campbell's investigation that would produce some proof of evidence and facts supporting the time and efforts that was put toward defendant's investigation and the defendant findings during his presentation to the Honorable Judge Dan Aaron Polster.

(8) Plaintiff have attached a certified copy of Plaintiff phone records from the Sprint Records Department with proof showing probable cause to the fact that a phone conversation between the two the Plaintiff and defendant UH Hospital's out-reach coordinator Andrea Shadd did indeed take place and a copy of the positions, which Plaintiff applied for at UH Hospital after being Laid off with supposedly preferential jobs posting privileges. The defendant's evidently are not capable of telling the true and Plaintiff's evidence clearly shows that the defendant's allegations to the courts are entirely false.

(9) The defendant's false allegations is a perfect cause to reasons to why the Honorable Judge Dan Aaron Polster needs to make a serious measurable note of the defendant's dishonesty, which has discredited the defendant's accreditability with the courts.

Key to Understanding CDMA Call Detail Reports

Calling number:	This column reflects the number placing the call (the individual who initiated the call). If the call is an outgoing call, this will be the Sprint PCS target number.
Called number:	This column reflects the number actually called. In most cases this number will be the same as the number in the "Dialed Digits" column. If the number has been forwarded, or if there is a routing number, then this will be reflected. If the number has a 11 in front of the area code, that means the call rolled to voicemail and was NOT answered by the customer.
Dialed digits:	This column reflects the digits that the caller enters into the keypad of the phone. If the call is an incoming call, this will be the Sprint PCS target number.
Mobile Role:	Mobile Role (Type of Call). Listed as outgoing, incoming, routed call or undetermined.
Start Date:	Date and time the call was initiated.
End Date:	Date and time the call was ended.
Duration:	Duration of call, in seconds.
Call Type:	Indicates the type of transaction on the network. This includes, but not limited
NEID:	This reflects which network element handled the call.

Key to Understanding CDMA Call Detail Reports, cont.

*Routed calls come in several varieties. A TLDN (Temporary Local Directory Number) may be considered to be a bridge/router number to complete a call. Similar to TLDN, an IMRN (IP Multimedia Routing Number), will be used to route Apple WiFi Calls. Another scenario is when a call is not answered, but is routed to voicemail. Calls routed straight to voicemail may also have an "11" before the number indicated in the "Called_Nbr" column. For handsets using visual voicemail, these numbers may replace the "11" in the called number column: (800) 877-2400, (866) 677-8204, (866) 222-2604, and (877) 836-4746. The indicator that Sprint's Visual Voicemail platform was used within the session appears as 624500000XXXXXX.

*WiFi Call Type: Please note that Sprint does not have the capability to determine the time stamp. These calls can be reflected in Switch time or GMT.

*The CDMA call detail report may indicate the sending and receipt of text messages and e-mail. While not flagged as text messages, the line will indicate no duration, the dialed digits column will either be blank or will show an e-mail address, and the repoll column may contain one of the following numbers: 13; 291-298; 347; 506-533; 681-684; 686-688.
NEIDs 191-198 226-229 291-294

* On the CDMA network, Sprint maintains Gateway and SWAT (Soft Wireless Access Tandem) networks in areas where there are large Sprint customer populations. These provide the required extra space that helps Sprint maintain all of the calls. When a call moves through a gateway or SWAT cell site information is not retained and is not recoverable. NEIDs for Gateways 124-125, NEIDs for SWATs 96, 184-190, 263, 363-365

*Please be advised that as of October 12, 2010, all CDMA CDR (Call Detail Record) text message time stamps are kept in Central time zone. Records prior to October 12, 2010 are either in Central or Eastern time zone. Sprint is unable to determine which time zone is reflected in records older than October 12, 2010.

*Short codes, also known as short numbers, are special telephone codes, significantly shorter than full telephone numbers, which can also be used to address SMS and MMS messages from mobile phones or fixed phones. Short codes are often associated with automated services. An automated program can handle the response and typically requires the sender to start the message with a command word or prefix. A list of short codes is not maintained by Sprint as number of short codes is extensive and constantly growing. Example of a short code- the customer may want updates pertaining to their favorite sports team. The customer would sign up with that team in order to receive text message updates relevant to the team.

Star Codes

Your request has been fulfilled, at least in part, by what is known as a CDMA CDR Report. A CDMA CDR Report lists information about incoming/outgoing calls including the digits dialed on the handset. As a dialing shortcut, PCS subscribers may use star codes (an asterisk (*) plus a short number sequence) when using our wireless telephones. On call detail reports the star may be indicated by a letter "B". This code will appear in the dialed digits column of the CDMA CDR Report. Following is a list of the most common star codes. Additional star codes may exist in the market from which the call is made. Please contact the Subpoena Compliance Group at the number listed above for more information concerning star codes.

Here is a copy of what I mean as far as the request Attorney Campbell was supposed to give to me concerning the RIF. (See the attached ORCR document I have included in this attachment. Still would like to have this requested information.

Why was Attorney Murray Richelson contacted from your Law Office, concerning a settlement offer and having disclosure to my filing charges given to him, this information is in the OCRC document. I never authorize him as my attorney for this case? He did mention to me that UH violated (FMLA) policies once he had me on the phone.

UH has denied that they hired Private Investigators right?

May I have a copy of UH policy and procedures concerning (working relationships)? For example girlfriends, boyfriends, married couples (sex) or related family members working together in the same department on the same shifts?

May I have a copy of UH policy and procedures concerning the internal and external protection policy that the Reimbursement and Tuition Department has set in place for all UH employees who has accepted this benefit that clearly states that your supervisor (Kathy Deakins) is allowed to as she did enforce such protection policy for their own safety concerns, which she did call my college and she told me that this protection policy existence.

Number (11) other matter for the attention of the Court:

Should I include the same information that I put on the first form or is that supposed to be done separate? Reason I'm asking is because we do not go over question number 11.

Subject: RIF--Roles of the three panel's person and describe the decision-making process.

From: camille wilson (mscwilson1@yahoo.com)

To: dacampbell@vorys.com;

Date: Sunday, February 14, 2016 3:28 PM

Attorney Campbell,

Honorable Judge Dan Aaron Polster asked, that all the RIF information be given to me during our phone conference. I searched through the documents from the OCRC and could not locate the answers to specific question(s) concerning the RIF. Could you please make sure I receive this information concerning the RIF.

1. Define the roles of the three persons panel.
2. Describe the decision making process.

For example, did the panel's decision have to be unanimous? Majority vote? Could the senior member of the panel (Ms. DePompei) make a unilateral decision and override the positions of the of the two junior members?

Thanks you.

Regards,

Camille Wilson

Hi Camille... I was out of the office yesterday, but I was going to contact you because I received an email from Respondent stating you retained an attorney and that you are planning to file a lawsuit. Respondent wanted to know if you intend to proceed with the investigation through OCRC as well? Respondent has yet to submit its position statement, but I believe Respondent might be waiting to see if you plan on continuing the investigation with OCRC.

I look forward to hearing from you soon.

RE: Camille Wilson

To Whom it May Concern:

The Commission gave me Ms. Wilson's file last week. Ms. Wilson and I reviewed it. I am now writing to supplement my letter of October 2. I will address both the RIF and the underlying retaliation

First, the Commission should look at the composition of the three-person panel that decided to include Ms. Wilson in the RIF. UH counsel David Campbell sent an e-mail to OCRC employee Ron Church on August 24, 2015 (copy attached). In that e-mail, Mr. Campbell identified the members of the panel as Patti DePompei, President of Rainbow Hospital; Paula Gillette, Vice President of Nursing; and Kathy Deakins, Ms. Wilson's immediate supervisor. UH did not define the roles of the three persons or describe the decision-making process. For example, did the panel's decision have to be unanimous? Majority vote? Could the senior member of the panel (Ms. DePompei) make a unilateral decision and override the positions of the two junior members? This is important because two members of the panel – Kathy Deakins and Ms. Gillette – knew of Ms. Wilson's protected conduct, and of course Ms. Deakins was a person that Ms. Wilson complained about. (Ms. Wilson also complained about Nancy Johnson.) (Ms. Deakins knew about Ms. Wilson's complaints early in the game. Ms. Gillette knew about the complaints not later than November 5, 2014. See, attached letter of November 5, 2014.) In legal parlance, this suggests a "cat's paw" situation, whereby a biased employee infects the decision-making process of the organization and that biased employee's animus is imputed to the ultimate decision-maker. See, e.g., *Bahar v. City of Youngstown*, 7th Dist. Mahoning No. 09 MA 55, 2011-Ohio-1000, par. 71. Also, I find Ms. Deakins' Declaration, dated September 24, to be interesting. In paragraph four she states: "All of the positions in my department were reviewed, including the position held by Complainant Camille Wilson ("Wilson"). During the August 2014 review process it was determined that the duties of Wilson's position no longer warranted continuing this role in the department." Whoever prepared the document wrote it in the passive voice. Ms. Deakins did not state "I, and two other employees, conducted the review." Rather, she states "[P]ositions in my department were reviewed..." and "[I]t was determined..." In other words, Ms. Deakins did not want the Commission to know that she was part of the review team. Evidently she did not know that Mr. Campbell had previously informed Mr. Church of the panel's makeup. Perhaps Ms. Deakins' reticence speaks volumes.

Second, the Commission should review the letter that I submitted in Ms. Wilson's other case. In that letter I demonstrated that UH retaliated when it required Ms. Wilson to undergo a medical exam. Therefore UH has a pattern of retaliation against Ms. Wilson: first with the exam, and second with the termination.

Third, as I mentioned in my letter of October 2, UH first told Ms. Wilson that she could apply for other jobs at UH but later (approximately January 21) Andrea Shadd of the HR office told her that she was on the do not re-

this information concerning the RIF.

Needless to say, we are quite disappointed that you ignored Liana's letters and filed your own case management report. If you are not going to work with counsel as required, we will have to raise the issue with the Court.

As to this email, the Judge asked us to look into the Adriane Shadd allegation that you made during the last conference call. As I informed you over the weekend, Ms. Shadd strongly denies your allegations. Ms. Shadd kept a record of all of her discussions during the time you were RIF'd. She has no record of a conversation with you. She confirmed, despite your claim to the Judge, that you were eligible for rehire. However, you only applied for three jobs after the RIF. One of the positions had qualifications that you did not meet. The other two positions had so many candidates that the postings were closed prior to your applications.

You apparently realized that your Shadd allegations were false and decided to change gears with this email. The OCRC received the RIF information through various declarations. These declarations were provided during the investigation and during the reconsideration phases. We checked on your "three persons panel" and have no record of any such panel. What do you mean.

Thanks.
